

A floor plan diagram of a Special Collections area. On the left side, there is a vertical strip containing three rooms: 'Special Collections 404' at the top, 'Special Collections 403' in the middle, and 'Special Collections 402' at the bottom. To the right of this strip is a large, open area labeled 'Special Collections Expanded Space'. Below this area is a section labeled 'Special Collections Reading Room'. The plan includes various architectural features: a staircase on the far left, a door with an 'X' symbol, several circular tables, and a small arched structure on the top right. A circular inset in the bottom left corner provides a magnified view of a specific area within the Reading Room, showing a triangular table and surrounding seating.
