

INDEX TO THE CLAIRE COCI ORGAN SCORE COLLECTION

SPECIAL COLLECTIONS MUSSELMAN LIBRARY GETTYSBURG COLLEGE

This guide to the Clair Coci collection was created by transcribing the card index that Ms. Coci created for her own use. No attempt has been made to conform the composer's name or the composition title to the standard forms (Uniform Titles) established by the Library of Congress and used by music catalogers.

Many of the scores have markings by Ms. Coci or her teacher Marcel Dupre. Some scores are in manuscript. Scores that are not marked are available for checkout from the library. Marked scores are for use within Special Collections only.

The index numbering system was devised by Ms. Coci and is retained in this listing. The following codes are used for better access of certain categories of music.

BR = Brasses and Organ
CEM = Cembalo and Organ
DC = Scores by Marcel Dupre
DE = Scores annotated by Marcel Dupre

OP = Piano and Organ
OVI = Organ and Various Instruments
ST = Strings and Organ
